Huge Temple Mount News!

The Jewish Sanhedrin's Request to Sacrifice a Passover Lamb This Week!

 Jimmy Evans Apr 7   

I wanted to let you know about an [intriguing article](#) that was published last week in *Breaking Israel News*. It is about how the Sanhedrin (Jewish governing religious body) in Jerusalem is requesting permission from Prime Minister Netanyahu and President Trump to sacrifice a lamb on the Temple Mount this coming week on Passover in order to stop the COVID19 plague.

The following is an excerpt from the article and the contents of the letter they wrote:

The Sanhedrin emphasized that the plan to bring the altar to the Temple

Mount was entirely consistent with President Trump's recently released Deal of the Century which recognized Israel's full sovereignty over the site.

People of every faith should be permitted to pray on the Temple Mount/Haram al-Sharif, in a manner that is fully respectful to their religion, taking into account the times of each religion's prayers and holidays, as well as other religious factors" the text of the deal reads.

In keeping with this announcement by the President of the United States, the Sanhedrin sent a request to President Trump and Prime Minister Netanyahu, requesting permission to bring a korban Pesach for the sake of the world and for the purpose of ending the pandemic.

To the very respected President of the USA

Mr. Donald Trump.

To the very respected Israel Prime Minister

Benyamin Netanyahu

Twenty days ago we sent you a letter requesting a permit for the sacrifice of one Passover lamb on the Temple Mount, a copy which is also enclosed here in this letter.

In these last twenty days the world has been changed by the occurrence of a pandemic COVID-19 also which we have classified as a modern-day plague.

As it is written in the Book of Samuel as well as the Book of Chronicles, we see that two times the God of Israel canceled a plague inflicted on the Nation of Israel. Once, this divine act of mercy was brought about after Israel offered the Passover lamb in Egypt and the second time was when King David acquired the site of the location for the Temple and built the altar on this exact site in the yard of the Temple Mount

Twenty one days from now, the 14th of the month of Nissan, will be the

time for sacrificing the yearly Passover lamb. Like the original Passover sacrifice ended a plague and opened the door for Israel to go out into freedom, the same sacrifice brought this year will be intended to free all of humanity from the yoke of evil and sins, preparing them to receive the Divine support, and healing them from this harsh pandemic.

As it happened in Egypt, this sacrifice which stopped the plague at the doors of the sons of Israel and set them free from slavery in the time of Moses again now will stop this modern day plague by renewing the work of the Temple for the first time in over 2,000 years.

Mr. President, you and Mr. Netanyahu can immediately install the right values and laws for the entire human race and all of creation in this world by letting Israel obey the laws of the Torah of Israel which requires us to sacrifice the Passover lamb.

It is written in Zachariah and Isaiah that the remnants which God will call from all the nations will ascend to the Mountain of the God of Israel. We humbly ask, let this be so before a greater war will come. This is an opportunity to change history and move all of mankind towards the light of mercy and justice.

Sincerely,

Dov Stein

Secretary

The Court of Sanhedrin

Jerusalem Israel

First of all, I seriously doubt that President Trump or Prime Minister Netanyahu are going to step into the political firestorm that would ensue if they allowed the Sanhedrin's request. Not only would the Muslim world go crazy if the Jews re-instituted Temple worship and sacrifice on the Temple Mount, but animal rights groups, such as PETA, would go even crazier (if that is possible)!

Even though I doubt this is going to happen this year, I am so blessed by the increasing boldness and urgency being expressed by the Jewish leaders to rebuild the Temple and to re-institute worship and sacrifices.

According to end times prophecy, we know there cannot be an end to this age without a rebuilt Temple. The reason we know this begins with this passage from the book of Daniel:

Then he shall confirm a covenant with many for one week; but in the middle of the week he shall bring an end to sacrifice and offering. And on the wing of abominations shall be one who makes desolate, even until the consummation, which is determined, is poured out on the desolate. Daniel 9:27

The week being referred to in this verse is a week of years that will be the last seven years before the Second Coming of Jesus. The person that will end the sacrifice and offerings in the middle of the seven year period is the Antichrist. He will enter a rebuilt Temple on the Temple Mount and proclaim himself God. This is the abomination of desolations. Jesus referred to the passage in Daniel 9:27 in Matthew 24:15-16. Here is what the apostle Paul wrote about it:

Let no one deceive you by any means; for that Day will not come unless the falling away comes first, and the man of sin is revealed, the son of perdition, 4 who opposes and exalts himself above all that is called God or that is worshiped, so that he sits as God in the temple of God, showing himself that he is God. 2 Thessalonians 2:3-4

We know according to this graphic description from the apostle Paul that the future Antichrist is going to enter a rebuilt Temple and proclaim himself God. We know from Daniel chapter nine that it will occur in the middle of the seven year Tribulation period, also known as the time of Jacob's sorrow. (Jeremiah 30:7) We also know from Daniel that there will be active offerings and sacrifices in the rebuilt before the Antichrist stops them.

So what we are witnessing right now is the rising political pressure upon key world leaders, such as President Trump, to allow the Jews to rebuild their Temple and re-institute Temple worship and sacrifices. And we know according to Bible prophecy that one day the Jewish leaders will succeed. It will either happen politically when the Antichrist confirms a covenant with Israel or it will happen because the two witnesses of Revelation chapter eleven protect the Jews as they rebuild. This might be the reason the Antichrist kills them and why the world hates them so much. We will see (from Heaven)!

The [article](#) from *Breaking Israel News* is definitely worth reading. According to the Jewish leaders every preparation has been made to re-institute Temple worship and sacrifices. The only thing lacking is a Temple! According to the signs of the times - I believe it could happen very soon! Exciting and meaningful!
